**Oregon Progressive Party
Position on Bill at 2017
Session of Oregon Legislature:**

HB 3422: Oppose

Dear Committee:

The Oregon Progressive Party (OPP) supports this bill, because it divests the courts of Oregon from determining whether a method or practice of signature verification on a statewide initiative or referendum petition complies with all applicable laws and rules. Instead, it places the final determination in the hands of the Attorney General.

The Attorney General is not a judicial officer and should not hold ultimate authority in this matter.
