Joint Public Safety Committee  
Oregon State Legislature  
900- Court St SE  
Salem, OR 97301

To the Honorable Members of the Joint Public Safety Committee:

I am writing this letter in support of the Oregon TITAN Fusion Center and the work they do in support of public safety agencies throughout this state.

Perhaps never before in history has public safety more needed the information the Fusion Center provides. Whether it is terrorist information, information relative to marches or demonstrations in our jurisdictions, or wanted people who are dangerous to our communities, the Fusion Center provides a reliable source of information we trust.

I believe the continued support of the Fusion Center is in the best interest of not only public safety agencies, but the communities they serve as well.

Thank you for the opportunity to provide input.

Regards,

A handwritten signature in blue ink, appearing to read "Jerry Moore", is written over the typed name and title. The signature is fluid and cursive, with a large initial "J" and "M".
