Hi my name is Jared Scherrer I am 18 years old and fresh out of high school. I'm currently living with my family I have two siblings in college with me; having the Oregon Promise Grant this year has help tremendously by relieving some of the financial burden of school. I work part time for a drywall company which has helped me set aside money for OIT for once I finish my AAOT at RCC. The money that I get from Oregon Promise helps me create a financial present and future to get through
