## Oregon Liquor Control Commission (OLCC) Revenue: (Alcohol)

Taxes are imposed on beer and wine manufactured or distributed in Oregon. The current rates are $\$ 2.60$ per 31 gallon barrel ( $8.4 \$$ per gallon) of beer, Tax on wine is $67 \$$ per gallon, and $77 \$$ per gallon for dessert wine (14\% to $21 \%$ alcohol content). Two cents of the wine tax goes to the Wine Board, $50 \%$ of the remaining beer and wine taxes go to Mental Health and Drug Abuse Prevention, and the balance goes into the OLCC Account. Beverages with $21 \%$ or more alcohol are exclusively imported and distributed by the state of Oregon. Currently OLCC sets retail prices, on average, at 104\% above cost (including shipping, and federal taxes). The net revenue from these operations goes into the OLCC account. Available revenue in the OLCC account is distributed $56 \%$ to state General Fund, $10 \%$ to counties by population, $20 \%$ to cities by population, and $14 \%$ to cities by formula. A surcharge of $50 \Phi$ is a temporary add on for the last three budget periods, and generates approximately $\$ 30.0$ million a biennium.

The OLCC is also tasked to implement the Marijuana legalization initiative (Measure 91) that was passed in 2014. That implementation was redesigned by HB3400 of the 2015 session. The tax was changed to a $17 \%$ point of sale with $3 \%$ optional tax for local governments starting in 2017. When fully implemented the revenue is likely to reach $\$ 40$ million in an average biennium.
The early start program allowed for marijuana to be sold and taxed during the calendar year 2016. Early start was allowed medical dispensaries to sell to the public with a $25 \%$ tax rate. The early start program brought in about $\$ 60$ million in tax proceeds. After deductions for collection and administration costs, revenue will be divided among six statutorily specified distributions. Drug abuse and prevention will get $5 \%$ of funds, cities and counties will each get $10 \%$ as a group, $15 \%$ goes the state police, $20 \%$ to mental health account, and $40 \%$ to the common school fund.
