Subject: HB 2269 supporter

I want to log my adamant support of HB 2269 to fund the critical work of Cleaner Air Oregon. If DEQ doesn't receive funding for this work, we know it will not happen, especially with the federal budget cuts we're facing. It makes no sense to go this far and not finish the job. I hope our legislature and governor will listen to the people not aim only for profits!

Thank you!
