Subject: Testimony on HB 5542, OWRD Budget
Date: Wednesday, April 12, 2017 6:54:29 AM

Please support packages 101 and 105 in HB 5422 Please do not cut funding for: A) groundwater studies, B) observation wells, and C) gauging stations. Programs that benefit all Oregonians, as opposed to private interests, should not be at the top of the cut list!

Thank you.
