Subject: Testimony on SB 5542, OWRD Budget
Date: Wednesday, April 12, 2017 4:49:58 PM

Please support packages 101 and 105 and do not cut critical funding for water studies. Oregon needs to deal with real data before our rural residents find their wells going dry due to over appropriation of groundwater. We need to get to a sustainable withdrawal rate in key groundwater basins.
