

As a registered voter and licensed gun carrier I would encourage you to vote NO on all of the proposed gun laws currently being discussed. As a woman living in rural Oregon I have every right under the second amendment to protect both myself and family. I also support the right to hunt in order to feed my family. These proposed laws do nothing but further restrict law abiding citizens such as myself. You will accomplish little more than turning honest people into criminals for doing nothing more than upholding the constitution and our rights as American citizens. The majority of counties in this state voted to uphold the Second amendment by voting for President Trump. Those counties are rural and resources are limited. Thanks to Kate Brown and HER choice to make this a sanctuary state, our services will be cut further. Thankyou for your consideration.
