Subject: Re: Support HB 2876 (Hearing 4/13)
Date: Thursday, April 13, 2017 5:48:18 PM

Hello,
I sent this earlier in the week. Could you please include for the public record?

Thanks!

Kris Alman

Chair Barnhart and members of the Revenue Committee,
Please support HB 2876 to increase marginal income taxes on high income earners.

My husband is a high income earner who would be impacted by these higher marginal taxes.
Wealthier Oregonian families like us should be paying a fairer share to support essential services.

Respectfully,
Kris Alman MD
