

Hello Representatives,

This is Mytien Kent, Portland Beauty School owner who was also involved with HB 2314.

I am writing you today to state my support for the -3 version of House Bill 2701.

I believe it is important for all PCS in Oregon to have a right to due process and a fair and unbiased hearing by a judge prior to any action taken against me or my business by HECC, including being placed on probation. Please support the -3 version of HB 2701 to ensure our constitutional rights are protected.

Thank you for your time in this matter.

Sincerely,

Mytien H. Kent
