Subject: SB 797--Pass it please!

Good afternoon,

I'm writing to say that I sincerely hope the Oregon Senate Judiciary Committee will pass SB 797. It will close the loopholes in our laws that let domestic abusers and other dangerous people buy guns. At least 52% of women killed with guns are killed by their intimate partners. If these men didn't have access to guns, think how many women would still be alive today.

Please.

Thank you,
