RE: DHS Wrap Up Question

Q: Where are DHS staff located?

A: In 2015-17 DHS has legislative authority for 8063 positions including board and commission members, with the majority of its staff working out of local DHS offices across the state. Attached is a map displaying DHS points of service across Oregon and then a list of position locations by district and address. Note that some addresses are cross programmatic and show up in multiple places on the list.

Q: Does DHS contract for staff?

A: Our Intellectual and Developmental Disability program delivery model is almost completely contracted out. In addition, about half of the Aging and People with Disabilities program delivery model is contracted out. No other work activities currently done by DHS staff are under review for potential contracting at this time.

Please let us know if there are further questions.

Respectfully submitted,

Eric Luther Moore
DHS, CFO
