ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

BACKGROUND:

Ordinarily, the federal forest reserve moneys are split 25% for schools and 75% for the county road funds. SB 808 B of the 2007 session Enabled Douglas and Lane Counties to use monies described in ORS 294.060(1), for the purpose of patrolling county roads by law enforcement officials until January 2, 2014. In the 2011 session SB 443 extended the sunset to January 2, 2016. HB 5175 A of the 2012 session made the language applicable to (Coos, Curry, Douglas, Josephine, Klamath, Lane, and Linn) bringing the total to seven counties. This allowed for the federal money to be loaned by the rest of the counties to road patrols, but specifies that it needs to be budgeted and payable in three years after the end of the current year or the current budget. The bill is permissive (enabling) legislation and does not impact state funds
