Dear Senators

I'm writing in support of SB 797. I believe this bill will close deadly loopholes in our gun laws and keep guns out of the hands of criminals and the mentally ill.

We need legislation that will fix those parts of our laws that let domestic abusers and other dangerous people buy guns. I think SB 797 is a start in that direction.

Let's help police officers do their jobs by having legislation in place that will alert the police that someone who shouldn't be buying a gun.

We need to do *something* about the senseless killings of innocent men, women and children by people who should not own guns. These shootings happen almost every day. Let's not let them become a normal part of our daily lives.

Please vote YES on SB 797 and let Oregon be a leader in sensible and safe gun laws.

Thank you,

Jeanie Golino

Portland Oregon.
