Subject: SB 797 Support
Date: Friday, April 14, 2017 6:23:48 PM

I strongly urge the Oregon Senate Judiciary Committee to pass SB 797. It is common sense legislation that will close loopholes in laws that let domestic abusers and other people who should not be allowed to buy or possess guns from doing so. This is not a Democrat or Republican bill, but one that will protect all of our citizens.

Thank you for your consideration.
