Hi Marge,

The YouTube link should work the best for us. I'll make sure to test it before the committee tomorrow.

I represent Oregon Beverage Recycling Cooperative (OBRC). Jules Bailey with OBRC will be testifying tomorrow, April 19 in opposition to this bill. He wishes to show a video as part of his presentation. This can either be provided by email in the form of an MP4 file, or the video can be connected through YouTube provided the internet connection is sufficiently fast for this. Which do you prefer?
