Subject: Please vote no on Senate Bills 764 and 868
Date: Saturday, April 15, 2017 5:22:04 PM

Dear Senators,

SB 764 is clearly nothing more than an effort to eliminate lawful concealed carry in Oregon. The requirements proposed in the "dash-2" amendments are onerous, unnecessary and almost impossible to comply with. In the State of Oregon Citizens that take the time and effort to get the current Concealed Handgun Licenses have little to no history of being anything but law-biding citizens. Law-breakers do not take the time to get a license and so this law appears to do nothing to them. These changes to our laws will only make it harder for law-biding voting citizens to get a Concealed Handgun License. I'm sure that I don't need to remind you that the state and local governments are reducing the spending on law enforcement, not the other way around.

I strongly urge you to consider your constituents and not the deep pockets of New York billionaires who are promoting this harmful legislation and vote "NO" on the amended SB 764.

SB 868 is an outrageous assault on liberty, private property and due process. As amended by the "dash 1" amendments it is far worse. The concern of the State ought to be to identify and help those citizens that are having mental illness and mental health problems. This legislation does not require the court to take action to mentally help a person that presents imminent risk, nor does it fund treatment.

Vote "NO" on SB 868 and the "dash-1" amendments.

*Sincerely Yours
David McFadden
Medford, Oregon*
