

Greetings Sirs and Madams:

This text concerns the latest gun controller bills that you will be discussing and voting on. I, for one, am totally against them. I vote. And I will remember how you voted.

Now, I'm a retired US Marine veteran and disabled veteran. I have lots of time on my hands to try and make sure that my fellow vets and citizens of our great State of Oregon vote you out of office should any of these pass. Yeah. I'm a bit of a curmudgeon, but that is who I am. Let's keep OREGON free. Let's keep our guns. Torah's, (I'm Jewish (Shalom Pesach)) and beans, bullets, etc... Free to buy for all non felonious villainy types. Some of us have earned the right to keep and bear arms more than others. Do you sadly want to stab us in the back like that?

Carry on.
