

Oregon Beverage Recycling Cooperative
QUARTERLY REPORT

Q2 2017

Q2 2017 saw big changes for Oregon's bottle bill. For the first time since its inception in 1971, the deposit was increased from 5¢ to 10¢. The public reacted accordingly, leading to some of the busiest days ever this quarter.

Oregon Beverage Recycling Cooperative

- Process 1.2 billion containers/year
- 86 members and participants (only distributor of beverages)
- 300 Oregon Employees
- Eight (8) processing operations throughout Oregon
