Subject: Senate bill 797
Date: Friday, April 14, 2017 7:23:25 PM

Dear senators, this is an important bill and I urge you to vote yes! We need to lead the nation in showing what responsible and reasonable gun safety looks like. I'm a mom and the shooting in schools, malls, and homes is shocking and shameful to a country like ours. Do the right thing for your children and grandchildren. Thank you,
Rebecca Rodes
