Subject: NO! NO! NO! on SBs 764, 797, 868
Date: Saturday, April 15, 2017 6:06:38 AM

I won't mince words: these bills are flagrant violations, outright, blatant attacks on law-abiding Oregonians. Criminals ignore the law so they will be unaffected.

SB 764 intends to eliminate lawful concealed carry in Oregon; the requirements proposed in the "dash-2" amendments are--for all intents and purposes--impossible to comply with.

SB 797 ... if I were a business that got my delivery orders wrong 95% of the time, I'd be out of business, yet the OSPs delayed background checks are wrong 95% of the time.

SB 868 is an outrageous assault on liberty, private property and due process. The proposed "dash 1" amendments only make it worse.

These bills plainly ignore not only the state and national Constitutions regarding the rights to keep and bear arms, they abrogate the rights of law-abiding Oregonians. Let me remind you that your constituents--Oregonians elected you, NOT deep-pocketed, New York billionaires who are trying to push this trash on us. Oh, and your constituents ... most of Oregon is "flyover country".

Vote NO! NO!! NO!!! on these three bills.
