

Hello,

I know on Monday there is a vote on SB 797. I urge you to vote YES as this bill would make our communities safer by:

- Protecting women and children by prohibiting convicted stalkers and abusive dating partners from having guns;
- Requiring state officials to alert law enforcement when an individual prohibited from purchasing a firearm attempts to do so illegally and fails a background check;
- Closing the “Charleston Loophole,” which allows a gun sale to proceed after three business days, even if the background check is incomplete.

I know there is a lot of pressure from gun extremists, and i'm not sure what that's about, but this is a really important bill that needs your help to pass.

Thank you,
