**To the Senate Judiciary Committee:**

I want to encourage you to vote in support of SB 797. It is an important step along the road to creating a society and culture that, while allowing the reasonable ownership of firearms, also demands responsible and safe ownership. Stopping those who do not respect the laws of the land, or who may be mentally unstable is not unconstitutional. It is sane.

Though I live in Australia at this time. I vote in Oregon.

And, I can assure you that Oregon is held in incredibly positive esteem around the world. Please don't sully that respect.

Thank you for your positive vote on this bill.  
Sincerely,  
T.Y. Alexander
