Dear Senator,

SB 764 is clearly nothing more than an effort to eliminate lawful concealed carry in Oregon. The requirements proposed in the "dash-2" amendments are onerous, unnecessary and almost impossible to comply with.

Statistics indicate that concealed carry citizens are among the safest responsible firearms owners in the country. On the other hand, armed criminals are not. I would appreciate more focus on the criminals that on responsibly armed americans.

I strongly urge you to consider your constituents and not the deep pockets of New York billionaires who are promoting this harmful legislation and vote "NO" on the amended SB 764.

SB 868 is an outrageous assault on liberty, private property and due process. As amended by the "dash 1" amendments it is far worse. Once again it seems that due process guaranteed by the U.S. Constitution takes a back seat for political expediency.

Vote "NO" on SB 868 and the "dash-1"amendments.
