2016 Awards

Innovation of the Year.
Oregon Government Ethics Commission | *Electronic Filing System*

State IT Program of the Year.
Oregon E-Government Program

"The StateScoop 50 Awards annually honor the best and the brightest who make state and local government more efficient and effective. These awards allow us to celebrate the outstanding achievements of our peers and acknowledge their tireless efforts to make a positive impact in the government IT community and in public service."

Finalist, Government to Business Award: Secretary of State | License Directory

"The National Association of State Chief Information Officers (NASCIO), in its 28th consecutive year, honors outstanding information technology achievements in the public sector. This year's high quality of nominations shows that states continue to innovate and achieve great results."
