

Dear Senator,

SB 764 is clearly nothing more than an effort to eliminate lawful concealed carry in Oregon. The requirements proposed in the "dash-2" amendments are onerous, unnecessary and almost impossible to comply with.

I strongly urge you to consider your constituents and not the deep pockets of New York billionaires who are promoting this harmful legislation and vote "NO" on the amended SB 764.

SB 797 is unfair and unreasonable to law abiding citizens who wish to purchase guns legally. It gives the state police to much power and infringes on the rights of citizens to own firearm and to protect themselves. The three day rule allows more than enough time for the state police to do the required back ground check while protecting law abiding citizens from having there rights to have a firearm infringed by the police. This does nothing to keep firearms out of criminal hands.

Please vote NO! On SB 797 and all amendments.

SB 868 is an outrageous assault on liberty, private property and due process. As amended by the "dash 1" amendments it is far worse.

Vote "NO" on SB 868 and the "dash-1"amendments.

Thank you
William Hutchins
