

Dear Sir & Ma'am,

I am submitting my testimony against SB 868, 797 and 764 because all three go against the very core of the 2nd amendment to the Constitution.

There is already a law that requires you as a private seller to go to a gun shop to transfer your gun to a second party. At least file the paper work.

CHL's are necessary for law abiding citizens to be able to carry their guns concealed when hiking and camping in the backcountry. I carry mine in a pack sometimes when hiking for protection from animals and humans.

While allowed to open carry we have seen many times where people call the police because they see them with the gun. CHL's allowed for citizens to exercise their God given Constitutional rights without fear of harassment from anyone.

Thank you,  
Amy Tandy
