

Dear Judiciary Committee,

I was unable to attend the committee meeting today to give testimony in person, so I would like to have my testimony entered for the record.

SB 868

Against. This bill could violate citizens' Second Amendment rights without due process.

SB 797

Against. Delayed background checks are rarely rarely legitimate and State Police follow up is notoriously untimely. No need to go beyond federal law on this matter.

SB 764

This is a solution looking for a problem. The existing concealed carry training requirements have worked very well for years and are not associated any significant amount of criminal behavior by permit holders. This process is not broken and does need fixing.

Cheers,

Rex Baker
