

To Oregon Politicians,

I am a legal gun owner and hunter. I also hold three state licenses for concealed carry, including in Oregon. The ability to defend oneself and family should never be impacted by the zealous determination of "gun haters" to restrict our second amendment rights. This is what is happening by the left wing, city dwellers that run our government in Oregon.

SB 764 is clearly nothing more than an effort to eliminate lawful concealed carry in Oregon. The requirements proposed in the "dash-2" amendments are onerous, unnecessary and almost impossible to comply with.

I strongly urge you to consider your constituents and not the deep pockets of New York billionaires who are promoting this harmful legislation and vote "NO" on the amended SB 764.

SB 868 is an outrageous assault on liberty, private property and due process. As amended by the "dash 1" amendments it is far worse.

Please vote against these and other gun control measure that only restrict honest citizens and their families, and never the criminal or the terrorist. Wake up to reality!
