

Dear Ms Arrington,

I have sent emails to the members of the committee urging them to vote no on SB 868 & SB 797. Neither one of these bill will increase public safety and I feel that SB 868 is unconstitutional. In the event that they are not interested in supporting my opinions, please bring them to their attention.

Re: SB 868

I urge you to vote no on this bill. It appears to be unconstitutional which will cost the state unnecessary funds to try and defend it while it goes to higher courts. Please don't waste money on trying to control the citizens of Oregon who have voted for you and pay your salaries. Allow this bill to die in the committee.

Re: SB 797

I urge you to vote no on this bill. The current Federal law which allows a Federal Firearms Licensed dealer to sell a firearm in three business days is very adequate and this law would not prevent criminals from obtaining firearms. Criminals steal or get firearms from their buddies. Please be reasonable, this law would not increase public safety. Let this law die in the committee.

Thank you,

Treva Crooks
