Committee Members,

I respectfully request that you vote against the passage of SB 868, SB 797, and SB 764. These bills do not reflect the correct approach to ensuring the safety and security of the citizens of the of Oregon. The second amendment of the U.S. constitution affords citizens of the U.S., including Oregon, the right to bear arms. It is through citizen participation in this process that bad guys, whom do not respect or follow the law, will be discouraged from carrying out unlawful activities because of the consequences they are likely to suffer.

Thank you for accepting this testimony.
