

My name is Amaya Sobhi. I live in Southern Oregon and am a supporter of SoHumane in Jackson County. My husband has been on the board for 6 years, serving as president for several of those years.

I fully support our state dog being the Shelter Dog. I truly believe the best breed of dog is a rescued one. I would urge you to vote YES on State Dog H.C.R. 16. It truly reflects our state's values and commitment to those in need.

Sincerely,

Amaya Sobhi
