

I enthusiastically support HCR 16, which will honor and raise awareness for wonderful adoptable dogs of all breeds! I feel that it is a waste of precious time in the legislature to debate dog breeds, so let's honor any dog that needs a home and move on to more important matters that hugely impact Oregonians, like environmental protections, public education, road maintenance, and doing all you can to ensure that Oregon is a safe home for each and every person (and dog!) that lives here!

Thank you for your time.
