

**HCR16 would designate rescue shelter dogs as the official state dog of Oregon.**

Oregon is famous country wide for doing the best job of rescuing animals from abuse, neglect, etc.

We are famous USA wide!

Surely you must know that too!

**Please please please** make the rescue dog Oregon's state dog!

This would go a long way also to helping rescue organizations country wide to help animals!

Also, OHS has a perfect photo of a rescue dog.

He/she is a gorgeous tan and white Heinz 57 !!!

Do this for all the animals in the area, and every Oregonian will be so proud!!

Thank you ahead of time as I just know you will do this!! Please!!
