

Please support HCR16.

Animal shelters and rescue groups are brimming with healthy, happy, adoptable dogs of all sizes, shapes, colors, breeds. They are just waiting for someone to take them home.

With the help of legislation like HCR 16, we can spread the word about the benefits of adopting thereby reducing the number of dogs in shelters and also working toward the end of euthanasia for lack of space.

Thank you for your time and attention to my email.
