BACKGROUND:

The Housing Choice Landlord Guarantee Program (HCLGP) was established to provide financial assistance to landlords mitigating damages caused by tenants participating in the Housing Choice Voucher Program, also known as Section 8. Landlords are eligible if they leased to a Section 8 tenant and obtained a judgement against the tenant for damages. Financial assistance may be awarded for claims between \$500 and \$5,000 for property damage, unpaid rent, or other damages exceeding normal wear and tear from Section 8 tenants.

House Bill 2944-A requires that landlords applying for the HCLGP prove the amount of damages in a judicial hearing before a landlord is eligible for financial assistance. The measure also repeals the requirement for tenants to repay the Housing Choice Landlord Guarantee Program for assistance paid to landlords.
