

To the House Rules Committee,

My name is Eleena Fikhman and I am the proud mom of two rescued shelter dogs. I'm from Portland, Oregon, born and raised. My first pup came from a shelter in Tennessee and was trucked up to a non-profit rescue organization in Washington, DC, where I was living at the time. My second pup is from Tillamook and was transferred to Oregon Humane Society via the Second Chance program. It is imperative that you vote YES on this bill to help more dogs get those same second chances my pups did. I can't imagine my life without the joy their chaos brings to me. Please vote YES in this bill to make the Shelter dog the official state dog of Oregon. Everyone deserves a second chance.

Thank you,

Eleena Fikhman
