

Greetings Oregon House Rules Committee,

This is a friendly email to encourage you to vote YES on HCR 16; designating the shelter dog as our state's official state dog. Though Oregon is a leader in education on rescued pets, there is so much more, and more creative ways (such as this) to promote awareness of rescue needs. This is a great way to promote adoptions of shelter animals! Please, vote yes! Thank you for your time.

Kind regards,

Tracy Anderson
