Subject: HB 2004

To our law makers in Oregon.

Please Stop HB 2004 Now!

It is terribly flawed and has such an unfair stance on the hard working person who is trying to get ahead in life.

The Super-Liberal ways of thinking and acting that is going on in Oregon's law making is not acceptable to most, just the ones with hands out most the time that are constantly wanting a Free-Ride in life, are for these foolish laws.

In the long run, this bill will hurt even those people as there will be fewer rentals available.

I sure hope there is more intelligent and fair minded representatives in the house than there appears to be!

God help us in this Country.

Sincerely,
Darrell
