Subject: HB 2004-A - Opposed

As a homeowner, I oppose HB 2004-A. I am all for fair and equitable rights between tenants and owners, and this does not seem fair or equitable. It seems to be very one-sided on behalf of the tenants only.

My husband and I were actively looking for another property to purchase, because we love Oregon. But we have put our search on hold, as we will not invest any more money in a state that doesn't provide fair and equal rights to all parties!

I hope that this doesn't pass!
