Subject: HB 2004B

This is Yan Huang, I am an owner and property manager. I think HB 2004B is not good for the economy and will prevent our city and state to grow. For the pass few years, our city and state becomes more attractive to investors to come for investment because of the living conditions her; but HB 2004B will make investors afraid to invest here. So please do not pass it. Thanks
