Subject: I am begging, please stop punishing us

To whom it may concern:

I am a good landlord, I am oppose to this HB 2004 A. The relocation fee will hurt me. There are a lot of bad tenants out there who destroy properties. If they destroy my property plus paying them the relocation fee, that will hurt me really bad. I am not rich, I have high mortgage payments. Please stop this, I am begging you all.

Sincerely,

Adela Price
