Please do not force through HB 2004-A, it is not the way to get tenants' interests to the table. Nothing about HB 2004-A will work in favor of compatibility between tenants and owners. It will cause more hatred than anything else I could ever imagine. Whosoever thought this up should stop trying to be in control of our lives. Just try being a property manager with these constraints. Vote NO.

Thank you,  
Tim McDaniel
