Subject: HB 2004A Testimony

Chair Gelser, Vice Chair Olsen, and Members of the Committee--

My name is Tim Orr and I live in NE Portland. I'm writing to express my support for HB 2004A. My family has been deeply impacted by rising rents in Oregon, making us wonder if we'll be forced to move in the near future due to housing costs. We recently received a no cause eviction notice that turned our lives upside down. We had organized our work lives and childcare around where we lived. Now that we have this notice, we are struggling to find an affordable home that is near childcare, work and friends. We would be protected if we had HB2004A. I urge you to vote yes.

Thank you for your time.

Best,
Tim
