**Subject:** Please vote against HB 2004-A

Please vote against the proposed HB 2004-A. I am a property manager and I own a property management company. The proposed bill will not solve the housing challenges. In fact, it will create a greater homeless crisis. I will send you all the different scenarios that will happen and none are positive. It is difficult to understand if one isn't in this profession. Please vote against this bill.

Thank you,  
Alice Farmer
