Subject: HB 2004 and amendments

As an owner of multiple rental houses, I have been a good landlord for 35 years and have helped many tenants with affordable good housing. I only had to proceed to evict a tenant once in that time. HB 2004 will hurt me. I strongly oppose it. It does not protect me or my interest in trying to continue to help people seeking decent affordable housing.

I strongly urge a vote against HB 2204. John Adair
