**To:** SHS Exhibits  
**Subject:** Landlord abuse

I'm a landlord in Clatsop County, and I urge you to oppose HB 2004-A. Our retirement is based on the value of the income our rental pool. This may significantly harm that. As well it makes the assumption that we are excessively profiting from our investments. I call Bullshit. Any candidate that supports thus no longer has my support. Michael & Linda Martin Seaside Ore
