

My name is Ray Poteet. I live, work, and vote in Klamath County, Oregon. I have been self employed, and a landlord since 1989. Owning rental property is my only form of retirement. Passing of this bill will create a huge burden onto all landlords. No cause evictions are the only tool we have to allow property renovations, modernization etc. They are the only way to keep our properties fresh, and up to date. The passing of this bill would be a huge mistake for not only me, but for our state.

I am a landlord, I vote, and I oppose *HB 2004-A*,
This is bad for everyone.

Thanks, Ray Kris Poteet

Eu preferiria estar bebendo caipirinha na praia no Brasil! *(I would prefer to be drinking Caipirinha on the beach in Brazil)*
