

I am a landlord & a Professional Realtor for 43 years in Portland-Metro area.

I appose the no cause bill HB-2004 A.

This will cause the Oregon Landlords to not want to own any investment properties & will also keep other investors wanting to buy & own a rental property in Multnomah County where I also own rentals. I already have investor buyers deciding not to buy an investment property if this HB 2004-A is not stopped.

Thank you,

Cheryl Agee-Jenkins
