Subject: NO TO HB2004-A

"I'm a landlord in Lane County, and I urge you to oppose HB 2004-A." This will not only hurt the landlords but the renters as well...

This is not the way to control rents, this is the way to keep people out!!

As a Landlord I will think Long and hard about who I am renting to and the deposits that I will need to cover not only damages but any future expenses I may incur due to this ridiculous bill.... such as relocation expenses for the renter etc.

I urge you to oppose HB2004-A.....

Make it a great day!
